

A black and white photograph showing a person's feet standing on a mechanical scale. The scale's dial is visible, showing a weight measurement. The person's feet are positioned on the scale's platform.

If you're seeing more than you like,
then we'd like to see you.

Consider participation in a weight loss research study.

Radiant Research is seeking volunteers who are overweight, non-smokers, and age 18 to 55, to participate in a clinical research study of an investigational medication for weight loss. Qualified participants will receive study-related exams and investigational medication at no cost and may be compensated for their time and travel.
